Residence

**Please note**

1. You will not qualify for university residence if you live in a 60km radius of the campus.

2. Students with full exemption and a C and above aggregate will get first preference for accommodation.

3. Closing date for residence application is 31 October (no late applications will be considered).

4. There is no waiting list. Students who miss the closing date must ensure that they have arranged their own accommodation prior to their arrival on campus.
